**Subject:** NYU in Prague Housing Assignment

August 22, 2008

Dear Kyle:

Your housing assignment for NYU in Prague for the Fall 2008 term has been completed.

You have been placed in a: quad room

Housing Location: Slezska apartments  
(Addresses of locations are below)

The cost of your housing at NYU in Prague is: \$ 3250

Please review the information on our housing in Blackboard should you have questions, most answers students have are there. We remind you that linens will be provided. All students and guests must follow visitation rules. Upon arrival in Prague all students check-in at their residence hall, instructions are in Blackboard and below. Your mailing address will be that of the Academic Center as well, not your residence.

Room changes will only be granted in extreme situations. Please be aware that there will be no housing changes prior to departure and during the first week of your arrival. The site has a housing change period, like most US campuses, that will be explained during on-site orientation.

Please note that this is not a bill, but rather to advise you of the expected cost of your housing. You can access your account on-line via NYUHome.

A reminder that we cannot release roommate information due to various privacy laws (US as well as local) which sometimes can contradict one another. However, it is quite rare that students who requested to live together and completed the application as instructed (request to room together, same preferences, etc.) are not placed together. Please know that neither the

site nor the Global Education Office in NYC will release roommate information.

The University reserves the right to change this housing assignment.

The staff in Prague looks forward to welcoming you to one of the most amazing cities in the world on the 12th. Please check Blackboard for any changes to the arrival and check-in process.

If you have questions or concerns, please contact NYU in Prague at [martina@nyu.edu](mailto:martina@nyu.edu)

We ask that you please NOT respond to this email directly. Doing so will delay a response to you as it will be forwarded to the Prague staff.

Regards-  
NYU in Prague

## **NYU IN PRAGUE ARRIVAL INSTRUCTIONS**

### **If you are arriving BEFORE August 30**

You cannot check into the residence hall or the apartments until **August 30**. There are NO exceptions. You are responsible for making alternative housing arrangements.

If you need to store luggage before the semester begins, the main train station (Hlavni nadrazi) has a facility where you can leave luggage for a small fee.

### **If you are arriving ON August 30**

#### **From the airport:**

If you send in an arrival form and arrive **before 7 p.m. on August 30**, you will be met by NYU in Prague staff at the airport **at TERMINAL 2 (if you fly into Terminal 1, you can walk through the airport to terminal 2)** After you go through customs, look for the NYU sign. Staff will help direct you to taxis or other transportation which will have been arranged for you (a bus will take students on the group flight to the residences)

Prague's Ruzyně airport is easily navigable. When you arrive at the airport you will go through customs and then to baggage claim, after which you will be directed to the exit. **There are two terminals- if you fly into terminal 1, you should walk through the airport to terminal 2 and meet NYU staff.** Currency exchange is available within the baggage claim area as well as in the main terminal. Just outside the main customs exit doors is the building exit for ground transportation. Taxis and buses available.
